Ex. 5 Deliberative Process (DP)

The contractor/lawyer A/Z has hired for this issue has ideas on how to structure the AZ program that s/he will present.

Attached are the white papers that were discussed on the last AZ technical workgroup call. There is an ESA paper attached here (ew_twg_final_report) that should help with background for Monday's meeting. I will also forward the meeting notes that Kimberly Wells (ORC R9) took on the ESA discussions.

To the best of my knowledge, R9 has not been invited to this discussion/meeting.

Hi John,

Per our recent discussion, attached are 5 of 7 white papers that the AZ technical workgroups have drafted as part of the AZ 404 program assumption process. Kudos to Cathy for working with our team, as we navigate through this process!

Take care
